Medical Office Assistant Program

Program Objectives

This program provides students with the basic knowledge, skills, and work experience needed to become permanently employable in a medical setting. Skill development is delivered in three areas:

- ◆ Comprehensive medical administrative knowledge, including medical language, transcription, and medical office procedures.
- ◆ Full range of computer and office skills, including current software applications, keyboarding skills, bookkeeping, and personal and professional development.
- ◆ On-site work experience through participation in a 160-hour placement at an approved healthcare facility.

Duties and Responsibilities

Medical administrative assistants are responsible for a wide range of tasks to ensure the office they are managing functions smoothly. These tasks can vary by location but typically include:

- ◆ Checking patients in at the front desk
- ◆ Answering the phone
- ◆ Scheduling patients for appointments
- ◆ Interviewing patients for case histories in advance of appointments
- ◆ Compiling medical records and charts
- ◆ Processing insurance payments
- ◆ Operating computer software and office equipment
- ◆ Transferring lab results to the appropriate clinician
- ◆ Maintaining supplies and appearance for the office

Career Opportunities

Graduates of this program are qualified to work in a wide variety of healthcare settings and occupations. Job titles vary per location, but graduates are an integral part of many healthcare settings, including:

- ◆ Physicians' offices, clinics, and mental healthcare and allied healthcare centres
- ◆ Walk-in care centres
- ◆ Ambulatory clinics
- ◆ Complementary and alternative medicine clinics
- ◆ Long-term and extended care departments
- ◆ Medical research facilities
- ◆ Medical laboratory and diagnostic imaging centres
- ◆ Physiotherapy and occupational therapy clinics
- ◆ Group homes and community living societies
- ◆ Fitness and wellness centres
- ◆ Hospital admissions and E.R. departments
- ◆ Ambulatory and outpatient departments
- ◆ Laboratory and x-ray departments
- ◆ Medical finance and administrative departments
- ◆ Booking and O.R. bed booking
- ◆ Health records departments

Financial Assistance

Several funding options exist for students, our Aid Officer would be glad to answer any of your questions. Student Financial Assistance Options include:

- ◆ Ontario Student Assistance Program (OSAP)
- ◆ Employment Ontario Second Career Program
- ◆ Interest-Free Monthly Payment Plan Options

Method of Delivery

Students of this programs will be taught and trained in a virtual reality class method of instruction.
